1. CD: Okay, this is Constable DAVEY. The date is June 17th, 2016, time is 1111 hours. Gonna be taking a statement from Mohammed KHAN. For Burnaby file 2016-25379.
2. CD: Okay Mohammed, can you just go and explain to me um what you just did about uh Christopher FOX that came in here asking about a custome-, customer named Christopher FOX? And you provided me with this um tracking order.
3. MK: Um he brought me a gun, it was really old gun, it was separated, there was a wooden handle to it, like a bb-, butt part and a barrel. Um he wanted to ship it, I don't know where 'cause Manny does the shipping and destination, all I do is wrapping and packing.
4. CD: Mm hmm.
5. MK: Um I bubble-wrapped it, I packed it, and made a package and gave it to Manny. And Manny did the shipping I think for it. That's all I seen and that's all I know.
6. CD: Okay. Can you describe the, these parts of this gun that you saw?
7. MK: Um there was wooden barrel, uh no, the metal barrel part, and the other half of it was separate which was the, what would you call it, a butt or handle.
8. CD: Like a stock, (inaudible) end part of it?
9. MK: Like a stock. Yeah, the end part of it.
10. CD: Okay.
11. MK: To hold in your hand. Uh it was, was, it was just really old and antique and uh he didn't want it damaged and wanted it wrapped properly and that's all I did for him.
12. CD: Okay. Can you describe uh Mister FOX for me? What does he look like?
13. MK: Short, not too short, average, well short, I'd say about five-four or so. Nice (inaudible) nice guy, he's very well spoken. And seemed normal. And that was first time I met him. And uh other than that I don't really (inaudible)
14. CD: Okay. And this, I guess this tracking information that you've given me, um is this the info for that, that package?
15. MK: Um when I wrapped the stuff I just wrap it and I

16. CD: Okay.
17. MK: give it to Manny and Manny does all of it, so.
18. CD: Okay, I'll ask Manny about that.
19. MK: I believe, yeah, I believe that would be the one.
20. CD: After I take a statement from you. Okay. And do you remember when that was? Like how long ago?
21. MK: Roughly about three weeks or so, within the last month.
22. CD: Okay. And how do you know Christopher FOX? Like when I said his name you kind of seemed like you recognized who I was talking about immediately.
23. MK: Well when you mentioned weapon and guns that's the only one I ever seen here.
24. CD: Okay.
25. MK: So I kinda put two and two together.
26. CD: Okay. Did he say anything about, I know you said he, he said to be careful, he didn't want them damaged.
27. MK: Yeah.
28. CD: Did he say anything at all about why he was shipping them, or?
29. MK: Hmm, no he did not. Uh I just thought some people collect guns
30. CD: Mm hmm.
31. MK: and that's all I assumed, like he was a collector and you know. No, he did not say anything about why or where it was going.
32. CD: Okay, and just to be clear, it was only, it was two parts, two separate parts?
33. MK: Two pieces, yeah.
34. CD: The barrel and the stock.
35. MK: Yeah, separate.
36. CD: Okay.
37. MK: Yeah, and the other reason is when you're shipping stuff if it's bigger and long it costs you more, so he separated them and I wanted to make sure it doesn't go get damaged so we ship it (inaudible)
38. CD: Okay. Alright, thanks Mohammed, I'll conclude the statement there. Time is 1114 hours.
39. MK: Okay, you're welcome.
